Help, Healing and Hope

If you, or a loved one, live with a chronic or life-altering disease, you may face many challenges. Paying for critical medical treatments shouldn't be one of them.

The HealthWell Foundation is here to help. We are an independent national non-profit that provides financial assistance to underinsured Americans who need help paying for out-of-pocket medical costs even though they have insurance.

For over 20 years, our free services have helped over 930,000 Americans like you afford the treatments they need — spreading help, healing and hope to those who have nowhere else to turn.

Are HealthWell's Free Services Right for You?

HealthWell may help you afford your:

- Medication copays and deductibles
- Health insurance premiums
- Vitamins and supplements
- Pediatric treatment costs
- Travel costs
- Behavioral health services

You may qualify if:

- You are being treated for a disease we cover
- Your insurance covers your medication
- Your household income falls within our guidelines (up to 500% of the Federal Poverty Level)

We do not cover:

- Office visits, hospital bills and radiation
- Medications or services not covered under our funds or reimbursed by another program
- Medication or services paid in full or not covered by your health insurance

Get notified by email, text or phone when our funds open or close. Sign up at www.HealthWellFoundation.org/FundAlerts.

We Make it Easy to Apply

Visit us anytime at www.HealthWellFoundation.org/apply to apply or call us at **800-675-8416**. Our financial support specialists are available **Monday through Friday from 9:00 a.m. to 5:00 p.m. ET**. In just a few minutes, you will know if you have been approved for a grant.

Once your grant is approved:

- You will receive an approval letter with a Pharmacy Card and a Reimbursement Request Form.
- You can use your Pharmacy Card at the pharmacy or share your approval letter with your health care provider to bill HealthWell directly.
- Your insurance must pay a portion of the cost of treatment. HealthWell then pays your remaining copayment.
- You may use the Reimbursement Request Form if your doctor or pharmacy cannot bill us directly.
- Your grant will be available for 12 months or until the total grant amount is used, whichever comes first.

If you no longer require assistance or stop treatment, the remaining funds in your grant are released back into the program to help other patients.
